## R I V E R

A NEW DEVELOPMENT ON JENKINS ROAD

# LIFE ABOUNDS.

*Where the river flows, life abounds.*

This new community is everything you have waited for.

Sprawling 2 acre lots.

Fine country living on Jenkins Road.

The beauty of Texas in your backyard.

It's time to build your forever home.

# PHASE ONE

*Plentiful space. Natural beauty. Peaceful solitude.*

These are the core characteristics of Aledo River.

But no two lots are the same. Each one is unique in its topography and feel.

*Live atop a hill with a view of the open country.*

*Settle down in the woods under a canopy of oak trees.*

*Choose a lot nestled at the end of our cul-de-sac.*

*Build a home with a Jenkins Road address.*

*Come explore the 19 possibilities in Aledo River.*

# DESIGN PHILOSOPHY

## **The home is an artful expression.**

The home tells a story of who the owners are, what they value from the past, and what they hope for in the future. The homes in Aledo River should be described as classic, enduring, and artfully designed.

## **The home respects the land it is built upon.**

*Natural beauty.* Architectural and landscape designs should compliment the natural surroundings. The homes, structures, yards and fences in Aledo River should blend into the Texas landscape. Aledo River has been and will continue to be carefully designed to maintain the rural character of the land.

## **The home is a place of peace.**

*Preservation is a core value.* Preservation easements will maintain natural privacy walls between lots. Homes may be partially or fully hidden from view on the heavily wooded 2-acre lots of Aledo River. We desire to preserve as many mature oak trees as possible so they may be enjoyed and admired by the residents of Aledo River for many generations to come.

## Information About Brokerage Services

*Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.*

### TYPES OF REAL ESTATE LICENSE HOLDERS:

- **A BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- **A SALES AGENT** must be sponsored by a broker and works with clients on behalf of the broker.

### A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

### A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

**AS AGENT FOR OWNER (SELLER/LANDLORD):** The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent.

**AS AGENT FOR BUYER/TENANT:** The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent.

**AS AGENT FOR BOTH - INTERMEDIARY:** To act as an intermediary between the parties the broker must first obtain the written agreement of *each party* to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
  - that the owner will accept a price less than the written asking price;
  - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
  - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

**AS SUBAGENT:** A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

### TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

**LICENSE HOLDER CONTACT INFORMATION:** This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
